SUMMARY

For four and a half years I have been running performance marketing and CRM on the cosmetics and personal care side. First at a cosmetics brand, now in the beauty category of a marketplace.

EXPERIENCE

Pazaryeri A.Ş. · Growth Marketing Specialist (Beauty and Personal Care)

Istanbul · March 2024 - present

- I manage the Google Ads and Meta Ads campaigns for the category; monthly budget 1.5 million TL.
- I built segment-based email and push flows in Braze; the repeat purchase rate in the category went from 24 percent to 31 percent.
- I design the product page and campaign page A/B tests; I pull the segments with SQL.

Bora Kozmetik · Digital Marketing Specialist

Istanbul · February 2022 - February 2024

- Managed the Meta Ads and Google Ads accounts; customer acquisition cost went down by 19 percent in one year.
- Did the GA4 and Google Tag Manager setup; built the campaign dashboard in Looker Studio.
- Measured the sales of influencer collaborations with coupon codes (30 collaborations a year).
- Built the cart abandonment flow in Klaviyo.
